

Believer's Baptism

At Capilano Christian Community

Dear Christian:

We want your baptism to be an experience that will be a testimony to your family and friends and a sincere day-spring to you. Baptism can be and should be a great step forward in your Christian walk. As you have committed yourself to baptism and to giving testimony of your love for Christ, we want this obedient sacrament to be infused with power and respect.

That is what this brief guide is for; to give you a format to write down the significant events that have led to your baptism day. Please take some time to think through the questions and write your sincere responses (not what others think or what you think the pastor wants you to say!). This will be good preparation for your baptism day and will allow the elders to pray for you in personal and thoughtful ways. We really look forward to baptising you and praying for you!

Your Pastors and Friends,

Paddy Ducklow and Mike Nichols

(If you would rather have an interview with one of the elders or pastors than fill out this form, please contact one of Cap's pastors or elders.)

1. How did you become a Christian?

2. What does Jesus mean to you personally?

3. Why is being baptised important to you now?

4. How has Capilano Christian Community been significant in your decision to follow Jesus in baptism?

5. What would you like to say personally at your baptism (if anything)?

6. What favourite scriptures would you like us to read at your baptism?

7. You may have pre-believing family or friends who will be visiting with us on your baptism day. Give us their names and relationship to you so that we can greet them personally.

8. List several of your Cap friends or family who will be excited about your baptism and who might want to pray for you following.

9. Anything else that you might want to convey to us about your commitment to follow Jesus and to be baptised?

May God richly bless you on your baptism day!
