Welcome to CapChurch!

We are a community faithfully seeking God's shalom (flourishing and wholeness) in every sphere of life with passion for Christ and compassion for neighbour. We hope you find a warm welcome today—both from our good God, and from us.

Elder discernment for Brian Dean and Dan Thomson

It is our practice as elders to invite individuals to join our group as “apprentice” elders—for a year they participate fully as an elder, and then take some time to discern whether God is calling them to become a CapChurch elder. The year-long apprenticeship for Brian Dean and Dan Thomson concluded late last spring, and as elders we now submit to the community our desire for them to continue as full-fledged elders. For the next month, we welcome your input into this proposed course of action. Please pass on your thoughts and feedback before February 15 to Kim (kim@capchurch.ca) or David Zimmerman, elder chair.

2018 CapChurch Friendship List

We are building our friendship List Book for 2018. Please watch for an email from life@capchurch.ca asking for updated information and current photo (close up photos are best with no sunglasses). If you are new, and want to be included, please contact us so that we can send you a form to fill out. Thank you! (Lynda Shaw)

Thriving or Surviving In..... Continues Sunday, January 28, 2018

What do you think of when you think of work? Most of us assume that work is something we do in return for pay. That is true for many of us, but work is much more than that. Those of us who are retired still work. Those of us who work at home looking after family or children still work...without a salary. Our volunteer service is still work. How can we thrive and not just survive in work? That will be the topic of Rod and Bev's fourth session in the Thriving or Surviving series. We will meet on January 28th from 12:15-2:15 at Mulgrave so bring a bag lunch (drinks supplied).

If you are interested in attending please sign up by January 23rd at the latest by e-mailing Rod (rjkwilson@shaw.ca). If you require child-care please e-mail Kim (kim@capchurch.ca). We are requesting sign up to help with space, chairs, tables, child-care, and handouts. (Rod Wilson)

Come to Nashisa! Meeting today after the service today

We are in the early days of forming a 2018 Nashisa team. Dates are not yet finalized, but if you have any interest in going to visit our friends in Nashisa, Uganda, with whom we have had a longstanding relationship through Food for the Hungry Canada, come to a meeting after the service or speak to Lynn Perez, Andrea Smith or Kim. (Kim Pierrot)

Micah Mckinley Elias was born Jan 6, 2018 (3 weeks early) weighing 6 lb 5 oz. Mike and Lani Elias have a newborn and we are thrilled for them. If you

would like to support this family with meals, please contact Kenton MacDonald-Lin.

CapKids Transitions

As we begin the new year without the gifts and leadership of Allison Grice, we are so thankful for all the people who are stepping up to ensure that our kids are well cared for on Sunday mornings. We have a wonderful team providing a consistent relational leadership presence: Mikaila Strilchuk & Grace Milley with our 0-2's, Katrina Nadworny with the 3-5's, Joelle Coyle with the Grade 1-3's. Elise Girardin is helping us to establish a rotation of parents and others to partner with this team each week with storytelling, crafts, etc. We would love to expand the circle and include more people from the congregation in this rotation. Please connect with us if you are open to exploring involvement in a role suited to you (email:capkidslife@gmail.com). For the Grade 1-3 group, we have made the decision to use the “Dwell” curriculum this term. It is developed from a perspective that the Bible is a story about God—not about biblical heroes or morals or us—and that every individual story is part of the one big story of God's redemption and restoration of this fallen world through Jesus Christ. Today's message

We are taking a season to be attentive to God's faithful presence, asking how we, as a community, might join with Him in bringing shalom to the places we inhabit. Today we are asking the question, what is our neighbourhood? (Jn1:14) The World has changed to the degree that "neighbours" living in close proximity generally don't have the same level of connectedness or inter-dependance they once did. Life in the neighborhood - whatever form it might take - is the context where "The Word becomes flesh" through the lives of Christians living in community. In order to be "light and life" in the places we inhabit we must find ways to root deeply into the relationships and spaces where God has us.

This Sunday at a glance

THIS SUNDAY MORNING, Jamie Munday will be speaking on **"Moving into the Neighbourhood."** Andrew Chong & Team will lead us in worship.
