Welcome to CapChurch!

We are a community faithfully seeking God's shalom (flourishing and wholeness) in every sphere of life with passion for Christ and compassion for neighbour. We hope you find a warm welcome today—both from our good God, and from us.

Friendship List 2018

We are building our friendship list for 2018. If you consider CapChurch to be your church

home even if you are new to CapChurch, we would like you to be in our annual Friendship List. This booklet will include your photo, your individual or family grouping names and your contact information. The booklet is only available in hard copy for privacy reasons and is only to be used for connecting with Cap folks for church purposes and for getting to know the people of Cap (especially as it has pictures). Please watch for an email from life@capchurch.ca asking for updated information and current photo (close up photos are best with no sunglasses). If you are new, please contact life@capchurch.ca so that we can send you a form to fill out. Thank you! (Lynda Shaw)

January Sermon Series—"Moving into the Neighbourhood: Living as a Sent People"

"The Word became flesh and blood and moved into the neighbourhood..." John 1:14 (The Message)

The incarnation is not only the "content" of the good news (God with Us) but it is also the model for sharing that news with the World. Theologian Darrell Guder says the incarnation is both the "what" and the "how-to" of the gospel. Jamie Munday, Cap's Minister of Community Development will lead us in a 3-week sermon series focusing on the implications of "God-With-Us" for how we incarnate the shalom of the gospel both as individuals in our daily lives and as a church community. Some questions we hope to answer together in the next three weeks: What are the various "neighbourhoods" we are called to? And what does it look like for us to move on in? (Jamie Munday)

Bruce Main Coming Soon!

On Sunday January 28, we will welcome Dr. Bruce Main, founder of Urban Promise, an international organization whose mission is to "prepare emerging leaders to initiate, develop, and sustain Christian-based youth development organizations and to seed their new ministries as they serve vulnerable children and teens in our world's most under-resourced communities." Bruce is also brother to our own Jen Robertson, and a friend to many here at Cap who have served with Urban Promise in Camden New Jersey. We look forward to hearing his engaging stories and hope-filled godly vision for the most vulnerable in our midst. (Kim Pierrot)

Thriving or Surviving ?

Thriving or Surviving In..... Continues Sunday, January 28, 2018

What do you think of when you think of work? Most of us assume that work is something we do in return for pay. That is true for many of us, but work is much more than that. Those of us who are retired still work. Those of us who work at home looking after family or children still work...without a salary. Our volunteer service is still work. How can we thrive and not just survive in work? That will be the topic of Rod and Bev's fourth session in the Thriving or Surviving series. We will meet on January 28th from 12:15-2:15 at Mulgrave so bring a bag lunch (drinks supplied).

If you are interested in attending please sign up by January 23rd at the latest by e-mailing Rod (rjkwilson@shaw.ca). If you require child-care please e-mail Kim (kim@capchurch.ca). We are requesting sign up to help with space, chairs, tables, child-care, and handouts. (Rod Wilson)

Come to Nashisa!

We are in the early days of forming a 2018 Nashisa team. Dates are not yet finalized, but if you have any interest in going to visit our friends in Nashisa, Uganda, with whom we have had a longstanding relationship through Food for the Hungry Canada, contact Lynn Perez (lynnbariperez@gmail.com) to let her know and to get more information. (Kim Pierrot)

Today's message

Without mission - a sense of purpose and pursuit beyond ourselves - we are lost. But what does it mean to be a Church on Mission? Should we send more missionaries, more money, more shoe boxes? As we have been listening to God in this season of our Church's life, we sense a call to be attentive, working our sails to capture the wind of God's Spirit. So we must be attentive to God - as he is already present, and at work in the places we inhabit. And we must be also be attentive to who we are - as God takes our raw material and fashions it into something useful for his Kingdom. (Jamie Munday)
