"The call on the water"

To Ask

1. What do you think it was like for Peter to first meet Jesus and catch all of those fish?
2. Have you ever tried really hard at something, but it still didn't work out? How did that make you feel?
3. What do you think Jesus meant when He told Peter that he would "fish for people instead of fish"?

To Do

Remember this story while you go FISHING or on a BUG HUNT!
Try one (or more) of the following:

- If you have a fishing rod, go fishing—be patient, like the disciples!—No fishing rod? Go on a bug hunt! Look carefully, and count how many bugs you find
- Help cook a dinner that includes fish—extra points if you help clean or prepare the fish!
- Pretend to cast a net (or a blanket) and "catch" stuffed animals or toys

To Pray

Cut out some paper fish and write some names of friends or family you would like to pray for.
God,

You call us to follow you and be part of your work in the world— sharing your love, your kindness, and your hope.

Please help us notice the people around us who need encouragement or care, and give us the courage to act.

Today, we want to pray for: _____(the names on the fish)

That matter to us, and we ask you to protect them and help them feel your love and presence.
Amen.
